## 25 Years Since BRAC Announcement

It's somewhat of a dubious anniversary. March marks 25 years since the community learned that the Newark Air Force Base was on the BRAC closure list for 1993. That announcement set in motion years of drastic change. Few, however, predicted that the key workload and jobs would still be here today. The Port Authority will share a look back on that 1993 announcement and current-day information on its Facebook page in the first two weeks of March.

## Thinking Spring: Ohio Native Meadow

Since 2011, the Port Authority has had an Ohio Native Meadow located on the northern edge of the Base Campus of the Aerospace Center. The meadow is a tranquil place off of the on-site walking path that uses only Ohio-native plantings and wildflowers.
