## 12th District Candidates Visit Center

Defending defense industry jobs is a daily endeavor. The Port Authority hosted candidates Danny O'Connor and Troy Balderson for a briefing, tour, and roundtable discussion with defense industry leadership in mid July. The visit included a tour of the underground labs of the Air Force Primary Standards Laboratory as well as the construction area for the \$6.8 million new Force Lab. The Aerospace Center is the largest defense-related facility in the District.

## Capital Projects Continue to Advance

Over \$9.5 million worth of capital projects are underway on the Aerospace Center campus right now, including interior buildout for four customers, new construction for one, and site pad work for a future one. Stay tuned on the Port Authority's Projects Page.

## Model Eco-Friendly Industrial Park

The Ohio Native Meadow on the Base Campus of the Aerospace Center is a model for an eco-friendly environment in an industrial park. Off the campus' walking path, the one-acre meadow is booming flowers right now and welcoming people and wildlife among its visitors.
