## Exploring Opportunity Zones

For the sixth year in a row, the Port Authority will host a Miami University Ohio Public Leader fellow for an economic development project. Miami's "J Term" sees students bring their expertise to communities around Ohio. This year's fellow, David Goon, will be exploring the opportunities for investors in the Opportunity Zone in Central Licking County. Look for more in January.

## Port Authority Invests in Johnstown

With a 20-acre acquisition, the Port Authority has taken aim, in partnership with the Village of Johnstown, in starting a new industrial park in Western Licking County. The Johnstown Enterprise Center first phase of infrastructure is now under design with plans for extending roadways, water, and sewer to the site in 2019.
