U.S. Senator Mike DeWine to Visit

On Friday, Ohio's U.S. Senator, Mike DeWine, will visit the Central Ohio Aerospace and Technology Center Base Campus for a tour. His visit will include briefings with Boeing, DCMA, Bionetics, and AFMETCAL officials and tours of key workload areas.

OnTheBase.com Calendar & Marquee

So many people jump straight to the Weather Station or WeatherCam pages of OnTheBase.com that they miss noteworthy things to start their day. The front page of OnTheBase.com has current weather from the Base weather station, upcoming calendar items, and that day's marquee message along with links to timely Base topics. Bookmark it!

Kaiser Drive Extension Completed

Except for a few punch list items, the 4,200 foot Kaiser Drive extension project is now complete. The South Campus has a way to be reached by road. The project represents the first major infrastructure improvement in 50 years. The milestone was noted by *The Advocate* and *Business First*.

National Publication Features COATC

The successful privatization of the Newark AFB is featured in the Summer 2005 edition of the International Economic Development Council's *Economic Development Journal*. The Port Authority was invited to submit an article for publication that was accepted. IEDC is a sister organization to the NAID/ADC which published a similar article in February of this year.
