## Snow Kit

The on-Base weather station, including the bridge temperature, and links to various weather resources are all bundled up for winter in one place at OnTheBase.com. It's called the *Snow Kit*. Open your kit every day before you leave for work and every evening as you head for home to be informed about weather at The Base.

## Project Report: Wrapping Up 2005

Winter doesn't mean a work stoppage for capital projects. As 2006 projects enter design and engineering phase, there remain several on-site projects of note. Currently, a federal grant is helping to fund stream clean up on Ramp Creek. *Base Radio* has an interview with the project manager.

## Marquee: Thanksgiving Message

As part of his Thanksgiving proclamation which served to make Thanksgiving day a national holiday today, Abe Lincoln said, "I do therefore invite my fellow citizens in every part of the United States. . .to set apart and observe. . .a day of Thanksgiving and Praise." His ever-timely message is on The Base marquee this holiday.

## Port Ponders \$10 Million Bond Issue

For the third time in three years, the Port Authority is considering a tax exempt bond issuance for a regional non-profit project. The issue carries no financial risk to the Port Authority while putting its unique bond-issuing capabilities to work for the betterment of the community. Bond financings like this are part of an expanded role the Port Authority has undertaken in economic development for Licking County and Central Ohio.
