Wow! \$20 Million in Projects!

Projects. The COATC Campus is seeing more capital investment and earth moving than has been witnessed here in 54 years. The Base is seeing the Boeing ESM-AWACS project wrapping up, a \$1.6 million second phase of infrastructure improvements to the South Campus begun, and numerous on-Base projects underway. Added in there is the \$14 million investment by a business development prospect that has not yet made a formal commitment.
