## Building 4 Paint Project Has Begun

The Building 4 Paint Project has begun. Kastra Painting's crew arrived, as scheduled, this morning. Work at Post 3 is underway, starting with cleaning and prep. Today's impact should be very minor. Tuesday through Friday are expected to see areas cordoned off. Please respect these construction zones and no parking areas.

Note that every effort is being made to minimize the impact to personnel, visitors, and personal property. Some late afternoon and weekend work is planned.
