Paint Project Moves to West Side

The paint project has moved to the west side of Building 4. This morning, some time after 8:00 am, Post 9 will close due to that area being prepared for painting. Also, due to the possibility of overspray, many parking spaces will be blocked off. Pedestrians will be asked to detour from walking in these areas.

Schedule

OnTheBase.com and the COATC Message Boards have been updated with this week's schedule of the areas being painted.
