Congressional Candidate Space Visits

Ohio's 18th Congressional District, where The Base is located, will have a new member of Congress come January 2007. Candidates Joy Padgett and Zack Space were invited by the Port Authority for a tour and background briefing. Mr. Space's visit was yesterday, November 1. State Senator Joy Padgett visited in September. The coordinated visits are all part of the Port Authority's ongoing "caucus strategy" to elevate and keep The Base in the minds of federal, state, and local officials.

20 Years of E-Mail at The Base

Onthebase.com's feature *Through the Years* reveals that The Base was among the earliest Air Force operations to experience e-mail. November 1986 is when *On Target* reports PROFS was used for the first time at Newark Air Force Station. This is a story worth reading.

Be Ready. Think Snow.

The salt is in the bin. The 2006-2007 snow removal contract is set. The WeatherCams stand ready. Get online early and often to be informed about the snow and ice status at The Base. We'll also, for the fourth season in a row, be publishing a Snow Report Card after significant snow events.

***On Target* Contest Winners Selected**

This past week, five lucky subscribers to *On Target*, received their Cat's Meow commemorative of the Newark AFS circa 1981 as part of the Get On Target Contest. The pieces went to employees at Boeing and AFMETCAL, two retirees of the base, and an interested citizen from Hebron.
