## Defending Those Who Defend Us

A busload of elected officials and business leaders from Licking County boards Wednesday, March 20 at 3:00 a.m. for a day in DC. The purpose of the day is to remind the Air Force about the unique **capability** of the Aerospace Center, share the **development** impact story with our Ohio Delegation to Congress, and thank Boeing and our customers for the **success** of this work for the community and the national defense.

## In The News: Twenty Years Later

*Columbus Business First* reporter Jeff Bell, the same person who covered the base closure process at Newark AFB starting in March 1993, reported on the twenty years since BRAC announcement on March 12, 1993. Jeff's got it covered with a front page byline. We've got a news clip.

## National Spotlight on STEM Efforts

Rick Stephens, Boeing VP and a national expert on STEM education, spoke to a Licking County audience at The Works Monday. Before a visit to the Aerospace Center, he treated an audience including manufacturers and educators to national trends in STEM education and encouraging the need for STEM skills.

## Ohio Native Meadow Nears Year 2

The Port Authority Facebook page has a preview of a sign soon to be unveiled in the Ohio Native Meadow on the Aerospace Center campus. The meadow was planted last year using only Ohio-native seed mix. This Spring means Year 2 for what's intended to be an eco-friendly, tranquil setting on the campus.
