VIP Visit: U.S. Senator Portman

U.S. Senator Rob Portman toured Boeing and met with community leaders last Friday as part of a get-better-acquainted visit. It was his first visit to the Aerospace Center but not his first encounter with an understanding of the capabilities, impact, and success story here. The roundtable with business and education leaders put a spotlight on workforce development initiatives in Licking County that promise to deliver a STEM-skilled workforce now and into the future.

Quality of Work Life Amenities

The arrival of warm weather was the time to show off the many amenities on the Aerospace Center campus that add up to an unmatched quality of work life for the personnel on the Aerospace Center campus. The on-site walking paths and gathering places are busy venues.

Follow Us? Twitter is News Source

The Port Authority Twitter feed is more than just a social media fad. In addition to going out to every one of the hundreds of followers, every "tweet" gets posted on the Port Authority website and gets displayed on the on-site Lobby Message Centers. It's a news source of real-time information about what's happening at the Aerospace Center. Won't you follow us?
