German Company To Locate Here

Approval of a State of Ohio tax credit came about Monday and caused word to get out that a German Company, Xperion, has decided to locate on the Aerospace Center campus in Heath. In 2014, the automotive supplier will occupy the Southgate-built building under construction at James Parkway and Kaiser Drive. The manufacturer predicts it will employ 59 people within a few years.

Southgate's new building under construction today

Port Authority CEO Rick Platt said, "The best sales force is a happy customer and, with word now out publicly, our job as a community is to fulfill the promises made. Helping Xperion fulfill their need for a skilled, manufacturing workforce is Job One."

Video: Manufacturing Month Spotlight

October has been Ohio Manufacturing Month to spotlight the role manufacturing plays in our economy and it's importance to the future. Leadership of our Aerospace Center customers met with high school guidance counselors in an event organized by C-TEC, OH!Manufacturing, and The Works to spotlight manufacturing in Licking County.
