The Face of Boeing in Ohio

The latest Boeing In The States report of impact data is out and Ohio is again number one among supplier states to Boeing. With \$11.5 billion (yes, that's a "b") in purchase of goods and services in Ohio in 2013, Boeing bought over 2.5% of Ohio's State GDP for the year. Boeing's largest presence in Ohio is at the Aerospace Center.

Follow Us And Be The First to Know

Join the social media crowd. The Port Authority will welcome it's 1,200th Facebook "Like" sometime soon. It's those things like the Friday Fact, for a look back at the 52-year history of the Center, to the Monday Spotlight, with a look at the present and future of the Center, that are attracting attention.

Leadership Re-Elected

At it's June meeting, the Port Authority Board of Directors re-elected its Chairman and Vice Chairman/Secretary to new one-year terms. Steve Layman has served as Chairman since 1998 and Ron Sheldon as Vice Chairman since 2007. Also, Directors Mary Jane McDonald, Bob Klingensmith, and Dave Baker were sworn in at the meeting. McDonald and Klingensmith were reappointed to terms that first began in 1995 and Baker to his first term after a recent County appointment.
