

NOTICE TO QUALIFIED CLEAN ROOMS DESIGN/BUILD PROFESSIONALS

The Heath-Newark-Licking County Port Authority, located at the Central Ohio Aerospace and Technology Center seeks qualifications from contractors interested in providing professional design/build services for clean rooms. Qualification submittals will be received in the Vice President, Facilities Office of the Port Authority until **10 AM on March 20, 2025**. Any submittals received after the designated time of 10 AM will be returned unopened.

Sealed submittals may be mailed to:
Heath-Newark-Licking County Port Authority
Clean Rooms Design Professional
Attention: Vice President, Facilities
851 Irving Wick Drive West
Heath, OH 43056-6114

Qualifying contractors must, at a minimum, provide information as required in the “**Qualification Packet**” available at the above address and at hnlcpa.com/bids. Any questions or requests for clarification should be directed to the Vice President Facilities at the above address.

All submittals must be in sealed envelopes with the above address on the outside of the envelope.
